CORRECTED
DECISION ON PETITION
TO RESET A PERIOD
FOR REPLY

This is to correct the decision on petition to reset a period for reply mailed February 4, 2003. In that decision, the period for response was reset to run two months from the receipt date of January 11, 2003. It is noted that the Office action, which was received late by applicant, set a three- month period for response. Therefore, the period for reply should have been reset to run three months from the receipt date of January 11, 2003.

The application is being forwarded to the Supervisory Legal Instruments Examiner to reset the period for response to run three months from the receipt date of January 11, 2003.
